

Marshall Google App Email

My signature below signifies my understanding that Marshall Google App email accounts are provided as a *privilege* for educational purposes only by the Marshall County School District. Any misuse of the Google App email account will result in immediate cancellation of my account. Intentional malicious and/or illegal misuse of my account might result in legal prosecution. Since all files and mail messages are carried on a public school network, I am aware they are subject to examination and review. I will not share my password with anyone. The district-issued teacher email account is the only email account I have permission to access from the district's computers.

I have read and understand the acceptable use policies and agree to abide by them.
